

Connecting your **Whatsapp** to AI

The image shows a software interface for 'auto audit'. At the top, there is a window title bar with three colored dots (red, yellow, green). Below it is the 'auto audit' logo, which consists of a blue and white checkmark icon and the text 'auto audit'. The main area displays three connected WhatsApp contacts, each with a green 'connected' label above their name and phone number. The contacts are: Andi W. (+62 822-1234-6789), Farah - CS (+62 822-1234-6789), and Rika - Admin (+62 822-1234-6789). To the right of these contacts is a green 'Add More' button. Below the contacts is a search bar with a plus sign on the left and a blue send button on the right. The search bar contains the text '+ Analisa Leads **Andi W.** apakah ada potensi closing?'. At the bottom of the interface, there are three AI provider logos: Google/Gemini 3.1 Pro, OpenAI/ChatGPT 5.5, and Anthropic/Opus 4.7.
